

The Davis Family

FAMILY PARTNER Fall 2017

Yvonne Davis and her daughter, Dai'vonne (12)

"Thank you for everything that you are doing for me and my family."

— Yvonne Davis

"I grew up in Fort Worth and have lived on the east side all my life, so I am very connected to that area, as is my daughter. We look forward to living in Carver Heights East. Dai'vonne is very involved with the Boys and Girls Club, where she plays volleyball and hopes to play basketball for her school.

Owning our own home will make such a difference in our lives because it will be something my daughter and I can call our own. My hope is that this will bring stability to our family, and my daughter will be able to finish high school, go to college, and be the best she can be at whatever she choose to pursue."

- Yvonne works at Five Star Correctional.
- This home will be built in the Carver Heights East partner neighborhood, where our multi-year neighborhood revitalization program is underway.
- The Davis Family, Trinity Habitat for Humanity and area sponsors and volunteers will partner together to complete this Build A Home project.
