**"love will find you"** storyhill

you may be watching from a safe distance  
you may be so close you can taste the blood  
you may have headed for higher ground  
you may be drowning in the flood  
no matter what you do - o - o love will find you

you may have lost what little faith you had  
you may believe with all your heart  
you may be pulling yourself together again  
you may be falling apart  
no matter what you do - o - o love will find you

one of you sees that love's a long lost friend  
one of you can't recognize her face  
one of you runs to her with open arms  
one of you falls down in disgrace

you may see a million different gateways home  
you may think there's only one way through  
you may be waiting for the kingdom to come  
you may believe it's in you  
no matter what you do - o - o love will find you  
love will find you love will find you

### 1 corinthians 1:22-24 (ceb)

jews ask for signs, and greeks look for wisdom, but we preach christ crucified, which is a scandal to jews and foolishness to gentiles. but to those who are called—both jews and greeks—christ is god's power and god's wisdom.

### john 13: 31, 34-35

when judas iscariot had left, jesus said, "now the human one is seen for who he is, and god seen for who god is in him. the moment god is seen in him, god's glory will be on display. in glorifying him, god is also glorified—so that all is glorified!

"let me give you a new command: love one another. in the same way i loved you, you love one another. this is how everyone will recognize that you are my disciples—when they see the love you have for each other."

## some thoughts for the journey

empty your mind and be formless, like water. if you put it into a cup or bottle or river bank, it becomes the cup or bottle or river bank. instead, just be water, my friend. - *bruce lee*

always walk through life as if you have something new to learn and you will. - *vernon howard*

there are always people who emerge with the message that is most desperately needed. - *brene brown*

almost all really new ideas have a certain aspect of foolishness when they are first produced. - *a n whitehead*

let me keep company always with those who say, "look!" and laugh in astonishment, and bow their heads. - *mary oliver*
