gathering / announcements

the welcome candle

come, come, whoever you are. wanderer, worshiper, lover of leaving. it doesn't matter. ours is not a caravan of despair. come, even if you have broken your vows a thousand times. come, yet again.

"god of movement"

god of movement, work inside us
send your rain and nurture us all
tend our roots and hearts; excite us
help us hear your ancient call
in our pain and in our laughter
present, ever, throughout all our days
here before and now and after
may all living things give praise

as a tiny seed is planted,
roots emerge and growth begins.
so we ask, our hearts enchant,
and bring your kin-dom forth from within.
love unquenchable, hope unstoppable,
reign of justice with no end
use our lives and make it possible
that your garden, we may tend.

send us forth to sow and scatter
seeds that grow your kin-dom on earth.
make it clear the ways that matter,
those which bring new life and new birth.
through your people, bring your healing,
in our lives and the fruits that we grow.
ever more, your kin-dom, revealing,
now's the time to plant and sow.

ever more, your kindom, revealing
now's the time to plant and sow

passing the peace

gift of story

actor, jakie cabe

gift of song

"out beyond ideas" rumi/wilcox

chorus: out beyond ideas
of wrong doing and right doing
there is a field, i'll meet you there.

and the soul lies down in that grass
the world is too full to talk about.

ideas and language,
even the phrase “each other”,
doesn’t make any sense.

kairos moment

(the ancient greeks had two words for time, chronos and kairos.
kairos is “a time in between” – sacred time

opening our hearts
