1 Samuel 17:31-40 | Crossroads | Rev. Lance Marshall

1. What comes to mind when you think of moments where a “David” beating a “Goliath?” In retrospect, what did that “David” have that was ultimately powerful and decisive in victory?
2. Lance shared the question, “why doesn’t God do something,” and the response, “God HAS done something!” What has God done through Jesus?
3. How does remembering what God has done in Jesus shape how we view the “Goliath” situations we face today?
