gift of story

read by sandra buckner

luke 7: 24-27 (the message)

Jesus said, These words I speak to you are not incidental additions to your life, homeowner improvements to your standard of living. They are foundational words, words to build a life on. If you work these words into your life, you are like a smart carpenter who built his house on solid rock. Rain poured down, the river flooded, a tornado hit—but nothing moved that house. It was fixed to the rock. "But if you just use my words in Bible studies and don't work them into your life, you are like a stupid carpenter who built his house on the sandy beach. When a storm rolled in and the waves came up, it collapsed like a house of cards."

ecclesiastes 7:10 (the message)

never ask, "oh, why were things so much better in the old days?" it's not an intelligent question.
