gift of story

read by sandra buckner

job 12: 7-12 (the message)

ask the animals what they think—let them teach you;
let the birds tell you what's going on. put your ear to the
earth—learn the basics. listen—the fish in the ocean will tell
you their stories. isn't it clear that they all know and

agree that god is everything and more, that all things exist in
this sacred reality of inter-being — every living soul, yes,
every breathing creature? isn't this all just common sense, as
common as the sense of taste?

micah 6:8 (adapted, mcdermott)

it is obvious, isn't it, o human one, what is good and what
god, evolving love at the heart of everything, requires of you?
do justice, have kindness toward all, and walk your
ever-changing moments with humility.
