

A PATH OF GENEROSITY

Giving is a spiritual practice that follows your faith journey. Along the way you may find yourself at various points along this path of generosity. Where are you on your journey?

Where would you like to be, and what will it take to get there?

BEGINNING GIVER

Giving for the first time, trusting the church and God with my gift

CONSISTENT GIVER

Giving is a regular practice, offering at least once a month

INTENTIONAL GIVER

Giving a percentage of income to the church,
pledging a regular recurring gift

TRANSFORMATIVE GIVER

Continuously making lifestyle choices that enable me
to give generously

LIFETIME GIVER

Setting a lifetime goal based not on how much I should
give but rather how much I should keep

A PERSONAL PLAN FOR GIVING

STEP 1

Find your household income (or closest approximation) in the far-left column.

STEP 2

Locate your current monthly giving in the chart.

STEP 3

Determine if, and by how much, you can increase your giving to follow your Path of Generosity.
