1 Corinthians 13:4-8 (NRSVUE)

*Love is patient; love is kind; love is not envious or  
boastful or arrogant or rude.  
It does not insist on its own way; it is not irritable or  
resentful;  
it does not rejoice in wrongdoing but rejoices in the  
truth.  
It bears all things, believes all things, hopes all things,  
endures all things.  
Love never ends.*

## Thoughts for Future Reflection

“Even when we are no longer whole in body, love makes us whole in spirit.  
Love is the bridge between what was and what will be.” — Audre Lorde

“Love is the connective tissue of the cosmos.  
It stretches across death, across silence, across despair — binding us into wholeness.” — Barbara Holmes

“The dead are not gone.  
They have simply moved deeper into love —  
a place where our prayers can still reach,  
and their wisdom can still return.” — Cole Arthur Riley, *This Here Flesh*

“Death does not destroy the bonds of love.  
It leaves us with the responsibility to keep that love alive through our living.” — bell hooks

“Love recognizes no barriers.  
It jumps hurdles, leaps fences, penetrates walls to arrive at its destination full of hope.” — Maya Angelou
