Sacred Text

Read by Jay Anthis

“Interbeing is the understanding that nothing exists separately from anything else. We are all interconnected. By taking care of another person, you take care of yourself. By taking care of yourself, you take care of the other person. Happiness and safety are not individual matters. If you suffer, I suffer. If you are not safe, I am not safe. There is no way for me to be truly happy if you are suffering. If you can smile, I can smile too. The understanding of interbeing is very important. It helps us to remove the illusion of loneliness, and transform the anger that comes from the feeling of separation.”
🌿 Thich Nhat Hanh

The Paradoxical Commandments (9 - 10)

by Dr. Kent M. Keith

© Copyright Kent M. Keith 1968, renewed 2001

People really need help but may attack you if you do help them.

Help people anyway..

Give the world the best you have and you'll get kicked in the teeth.

Give the world the best you have anyway.

Thoughts for Future Reflection

“That which is not good for the swarm, neither is it good for the bee.”

✿ Marcus Aurelius ✿

“All have their worth and each contributes to the worth of the others.”

✿ J.R.R. Tolkien ✿

“Pull a thread here and you'll find it's attached to the rest of the world.”

✿ Nadeem Aslam ✿

“Don't believe the lie of individual trees, each a monument to its own self-made success. A forest is an interdependent community. Resources are shared, and life in isolation is a death sentence.”

✿ Becky Chambers ✿
